<p><b>Janet Stevenson – Pastoral Council</b></p> <p><b>Jeanine Jensen – Staff</b></p> <p><b>Lucy Valencia – Pastoral Council</b></p> <p><b>Bill Glover</b></p>	<p><b>Relocate Staff</b> – The location of everyone has been decided and the move will take place during the Christmas break. They are consulting with Ishmael (All Bay Floors) regarding the options for the church. They must meet the Diocesan guidelines but they are looking at option including carpet.</p> <p><b>Questions:</b></p> <p>Mary asked if the ambo will be updated. Yes.</p> <p>Carlos – Can there be ceiling fans in church? Tom Hess mentioned it should have been done when the roof was replaced. There is some question if this would accomplish any cooling. The A/C are old and in need of replacement.</p> <p>The Pastoral council has just wrapping up the 5-year plan.</p> <p>Three members are rotating off the committee (Marjorie, Lucy and Carol). They will need new members and are conducting 1:1 interviews in the Community to see how they see things and hopefully some leadership will arise.</p> <p>Faith Formation – they have 450 kids, K-12 grade. Still have some enrolling but they are very short on catechists</p> <p>No further report.</p> <p>Food Pantry – They have begun <b>signing up families for Thanksgiving and Christmas</b> – expect 200 families.</p> <p><b>The food pantry is very empty.</b> Second Harvest has very little food and is having to buy food. Bill has been assigned 2 stores Almaden Safeway and Bernal Lucky to pick up donations. Second Harvest will also be getting gift certificates.</p>	<p>After discussion, Tom Hess will research, although the A/C is in the budget for replacement.</p>
